Starting and running a business takes not just an idea but motivation, time, energy and skill. This is an opportunity to explore what's involved and see for yourself just how easy it can be to set up and run your own business.

If you have a business idea, a hobby you'd like to make money from, or are just wondering if you've got what it takes, then this course is for you. In the company of like minded women you will have a lot of fun and explore topics that include:

- What is an Entrepreneur?
- Why choose self employment?
- What are the skills and qualities of an entrepreneur?
- Work-Life-Balance and your vision of your future.
- Business Plans. What are they and who are they for?
- You as your best marketing resource.
- Managing paperwork and your finances.

This flexible and comprehensive course, specifically designed for women will help answer your questions and support you in exploring how being self employed might work for you. The course, which runs one-day-a-week over a 9-week period, is for women who are considering self-employment. There is no session in half term week.
